January 14, 2021

Dear LFS Parents:

In my first parent letter after Christmas break I wrote about the success at Little Flower School in maintaining our ability to fulfill our mission in these extraordinary COVID-19 times. Today, I feel a need to continue with the topic of COVID-19 and how it continues to impact our current in-person learning situation and how we are planning for LFS events going forward.

I want to assure you that as a staff we are continuing to maintain and enhance all COVID-19 prevention efforts and protocols. I would ask that you continue to call in when your student is ill, and continue to let us know when someone in your household has had contact exposure. Also, please try to have your child here before the 8:00 a.m. bell. We have staff available to provide wellness screenings prior to 8:00 a.m.

In a fun, exciting, and potentially valuable way to deal with COVID-19, LFS is embarking on a mission to put together a booklet highlighting our students' reactions to the pandemic. In the next several weeks in grades K-8, we will be giving our students the opportunity to share their thoughts and feeling about the corona virus and how it has impacted their lives. We plan to make the results of the essays and stories available to our LFS parents and constituencies.

One more thing about COVID-19... our LFS staff is now eligible to receive the vaccination. Members of the faculty and staff will be able to receive the shots beginning next week.

Monday we celebrate the life and legacy of Dr. Martin Luther King, Jr. There is NO SCHOOL on Monday, January 18.

LFS Happenings:

- Tax statements for 2020 are going home with your child today. These statements reflect what was paid to the school for tuition, book/technology fees, LAP and summer camp. If you have any questions, please contact the school office.
- Starting on Monday girls will be required to wear tights or leggings if they wear skirts. This new dress code policy will be in effect until March 31st. The allowed colors will be red, white, and navy blue.
- Our 8th graders will have graduation pictures taken next Friday, January 22.

Sincerely,

Dr. Bill Moredock
Principal
