Dear LFS Parents:

It was one year ago tomorrow that I went to each classroom and told our students that we would not be returning to school the following Monday. Most reacted with excitement, some students were confused, others were frightened. At the time none of us knew how long remote learning would last.

After several weeks of remote learning our students were feeling the effects of being out. They missed their friends, they missed their teachers, and they missed the structure and routine of being in school. It was a whole quarter of one disappointment after another...cancelled school, cancelled sports, cancelled vacations, limited friend gatherings, and, for some, a relative testing positive and getting sick with COVID-19.

There were some bright spots in the spring. We held an Easter Blessing and Basket Event in our parking lot and it was jammed with cars! The kids seemed to love seeing each other even though it was only a brief wave. Can you believe I received a call from SPD Chief Kenny Winslow the following day asking me about the event?! Other bright spots included drive by birthdays, yard signs for our 8th grade graduates, and finally a graduation Mass in June. By and large though the period from March 13 through May was a dark, disturbing time for our students and families.

As summer unfolded the key word was hope. With some trepidation we decided to operate our LFS Summer Camp albeit at a scaled down level (Thanks Mrs. Taylor!). As that was working out we put together a LFS reopening plan and prayed that we could open a safe, healthy in-person school on August 17. You know the rest. It has been a challenging journey this year with all the restrictions but what an amazing overall accomplishment for the first three academic quarters.

Looking ahead, we are hopeful of continuing our march through the 4th quarter of in-person learning as our public school counterparts throughout the country are still trying to figure out how to open part time. We are looking forward to a relatively normal Sports Day in May and graduation on time. We are looking forward to a Heritage Days Celebration like no other, including a color fun run on our campus.

I have probably written too much about the pandemic. It kind of dominates us at times here at the school. Now at the one year mark maybe we can begin to leave some of all this behind. As always, thank you for your support.

LFS Happenings:

- Tomorrow marks the end of the 3rd quarter.
- Remember to send in hygiene items for Catholic Charities. Students earn a Friday dress down day when they bring in items. See the enclosed flyer for details.
- Join us for the Men's Club Drive-thru Fish Fry tomorrow from 5:00-7:30 p.m.
- Submit your virtual Talent Show entries to Mrs. O'Hare by March 25th.
- We are still accepting registration forms for 2021 Summer Camp.
- Friday, Mary 19th is the 2nd Incentive turn-in date for Heritage Days raffle tickets. 1 entry into the tuition incentive drawing will be awarded to each family that sells 10 tickets by March 19th.
- If you haven't turned in your Registration Form for the 2021-2022 school year, please do so as soon as possible. Spots are filling up quickly!

Sincerely,

Dr. Bill Moredock
Principal

THANK YOU FOR SUPPORTING LITTLE FLOWER!

SCRIP gift certificates & prepaid cards are used just like cash. You can use SCRIP for your everyday expenses like food, clothing, gas, etc. With every purchase, you raise funds for Little Flower. SCRIP certificates are the same gift certificates you would buy if you went to the participating retailer and purchased them yourself. We purchase them at a discount (reflected on this order form) and sell them to you for the full face value. So the money we raise comes from the businesses you frequent, not from you!

Orders may be placed online. Or, bring this order form with full payment to the church or school office during business hours. You may also put it in an envelope marked "SCRIP" and drop it in the collection basket at mass.
