Dear LFS Parents:

It is quite a day today at Little Flower School. How many times has April Fool's Day coincided with Holy Thursday?! In our lead in to the morning prayer today I tried to make a connection between the two by saying that although the next several days are somber ones in our faith tradition, it is okay to be excited about our faith even on Holy Thursday and Good Friday.

Our prayer today highlighted how Jesus taught us that to lead we must serve. This past weekend our Little Flower PTC had an opportunity to serve our school community by sponsoring a service project for our junior high students. Fifteen students and eight parents led by Dan Pittman spent many hours installing new light fixtures and ceiling tiles in our gym foyer and around the stage. The staff, students, and parents of Little Flower are very grateful for this Lenten project. I certainly encourage all members of our wonderful Little Flower community to reach out to those in need and to make a positive difference in the lives of others.

The staff of Little Flower School wishes you and your family a Happy and Blessed Easter!

LFS Happenings:

- **NOTE CALENDAR CHANGE:** The last day of school will be Friday, May 21st. We will dismiss at 2:45 p.m. **NO LAP AVAILABLE.** May 24 & 25 will be Teacher In-service days.

Sincerely,

Dr. Bill Moredock
