Tel. No. (217) 529-4511 Fax No. (217) 529-0405

August 19, 2021

Dear LFS Parents:

We are off and running. Day one at Little Flower School was filled with excitement, some first day jitters, and a few tears in the preschool. Mostly, the first day was a day of joy and new experiences for our students. There are new students, new teachers, new staff members, new books, and a few new rules. Thank you for your patience as we fine tune our arrival and dismissal procedures, our cafeteria shifts, and our classroom routines.

If you have questions or if your child is experiencing any issues adjusting please contact us. Your child's teacher is always a good starting point but feel free to contact me or the main office staff at any time. We will try our best to respond to you right away.

I would also like to take this opportunity to thank several individuals who assisted us over the summer to make Little Flower a better place. Special thanks to Greg Park who had our cafeteria painted. Special thanks to Dan Pittman who provided electrical and plumbing work. Special thanks to Patrick Shea and the Little Flower Men's Club for their volunteer services in support of our technology infrastructure. Special thanks to Joe Malek for many behind the scenes contributions. Many, many others do so much for the benefit of Little Flower School and Parish. The staff and faculty of Little Flower are very grateful for all of our volunteers.

LFS Happenings:

- Just a reminder: Students must bring a water bottle to school each day. Please label all water bottles, masks, jackets, sweaters, etc. Our Lost and Found container fills up quickly with lost items!
- Please take a look at enclosed flyer regarding the parking lot drop off/pick up procedures. We ask for everyone's patience for the safety of our students.
- There is a Spirit Wear flyer included in the packet today. Students are allowed to wear Spirit wear on Fridays.

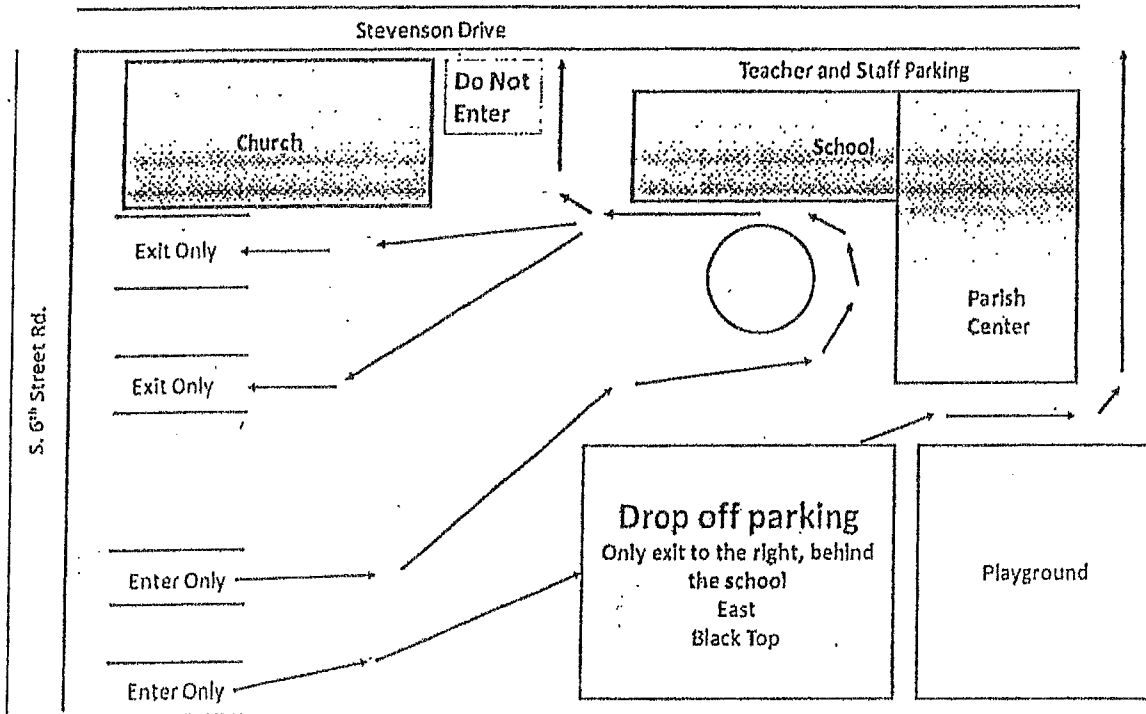

Sincerely,

Dr. Bill Moredock
Principal

New parking and traffic flow for 2021-2022 School year

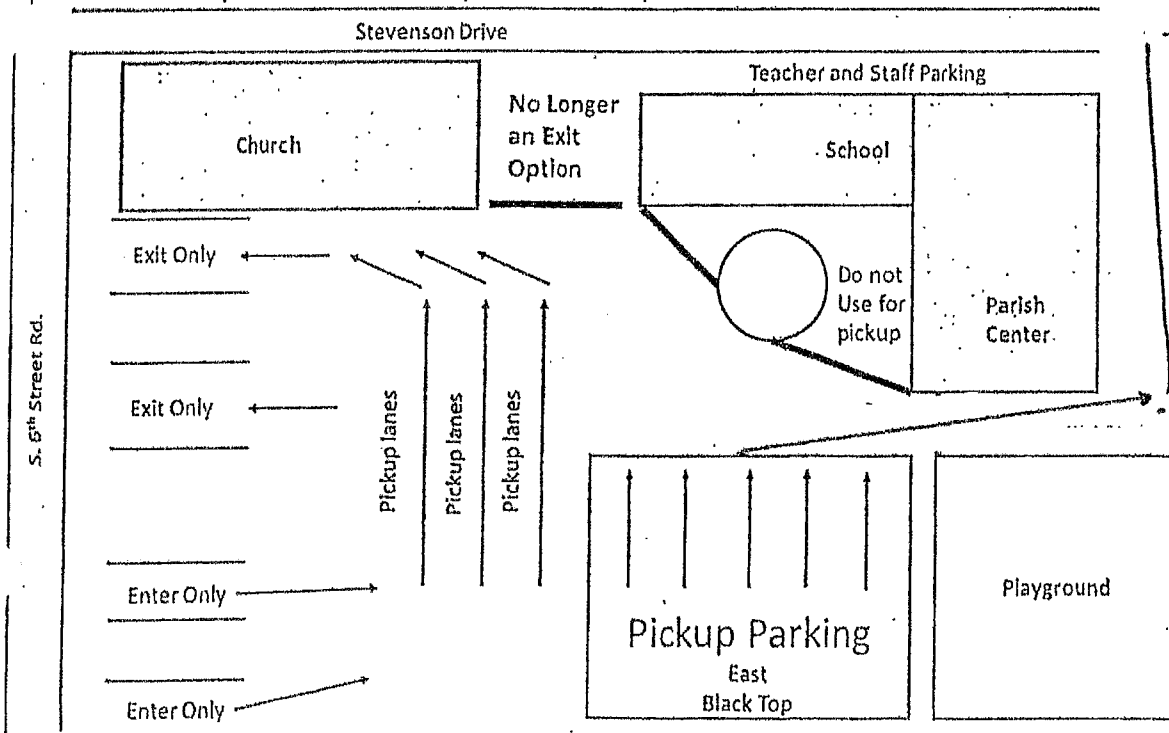

Morning drop off traffic flow:

Our goals are to keep traffic from crossing each other and to keep our children safe.

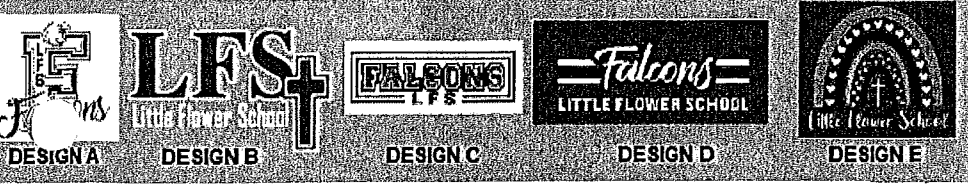

Afternoon pickup traffic flow:

Our goals are to keep traffic from having to turn left onto Stevenson Dr., prevent traffic from crossing each other, and to keep cars as far away from the school as possible to keep the children safe.
