Tel. No. (217) 529-4511 Fax No. (217) 529-0405

August 26, 2021

Dear LFS Parents:

Yesterday we celebrated our first "All School Mass" of the year. Students in grades 1-8 attended the first All School Mass we have had since March of 2020. Father Al guided the students through an exercise which demonstrated the physical parts of a Catholic church as well as allowing the students to realize that it was the people in the pews that actually were the life blood of our church. In a few weeks our Kindergarten students will join us for our weekly Mass.

This Sunday is an opportunity to attend our first Children's Mass of the year at the 10:00 a.m. service. Immediately following Mass our Little Flower School will host a "Back to School Ice Cream Social" in the back circle drive area adjacent to the school. It will be a great chance to meet some new folks and find out a few thing about Little Flower. I hope to see many of you there!

As we conclude the first week of school, I just want to say that the students are certainly embracing our theme this year of "Spirit of Respect". I see many, many examples each day of positive Christian spirit in our hallways, classrooms, and playground areas. We will continue to strive for this ideal each and every day.

### LFS Happenings:

- Thank you for your patience in our parking lot at arrival and dismissal. One reminder: during morning arrival, please exit to the north or west. Do not exit to the east on the driveway that goes past the Men's Club garages.
- Now that the first week jitters are over, we kindly ask that you leave your child at the gym and let the student walk to their classroom independently.
- Please send your child to school with a water bottle each day. Our water fountains can only be used to refill bottles. Cups and extra water bottles are not available in the office or classrooms.
- Our LFS Softball team is off to a great start with a current record of 11-1!
- The Boys Baseball team has had a number of recent victories and are hoping to be able to play more games soon since several have been cancelled because of the heat.

Sincerely,

Dr. Bill Moredock  
Principal

**Join Us for a Back to School**
