Dear LFS Parents:

As we conclude our third week of school I would say that Little Flower School has started to fall into a positive, productive rhythm. For the students, the "newness" has faded and routines have been established. For the staff, we are getting to know our students on a level in which we can begin to meet their individual needs.

Our factor that is an everyday challenge to the establishment of a predictable learning environment is the adjustments necessary because of Covid-19. As you probably know, the number of persons testing positive for Covid-19 has been high in our county for some weeks. Currently it is being reported that 1300 students in District 186 are quarantined for either testing positive for the virus or being a close contact. This number is over 10% of the student body. We currently have a small number of students quarantined and the good news is that of the few students who have tested positive, symptoms are mild or non-existent. We pray that continues to be the case as the semester moves along.

I would also mention that in my meetings with other Catholic school administrators in our diocese, ninety percent of our discussion centers around managing schools in a pandemic. Every school and parish is a little different in approach to procedures but all follow the leadership of Bishop Paprocki and his team. Eighteen months into this they have been very solid in their guidance to our schools.

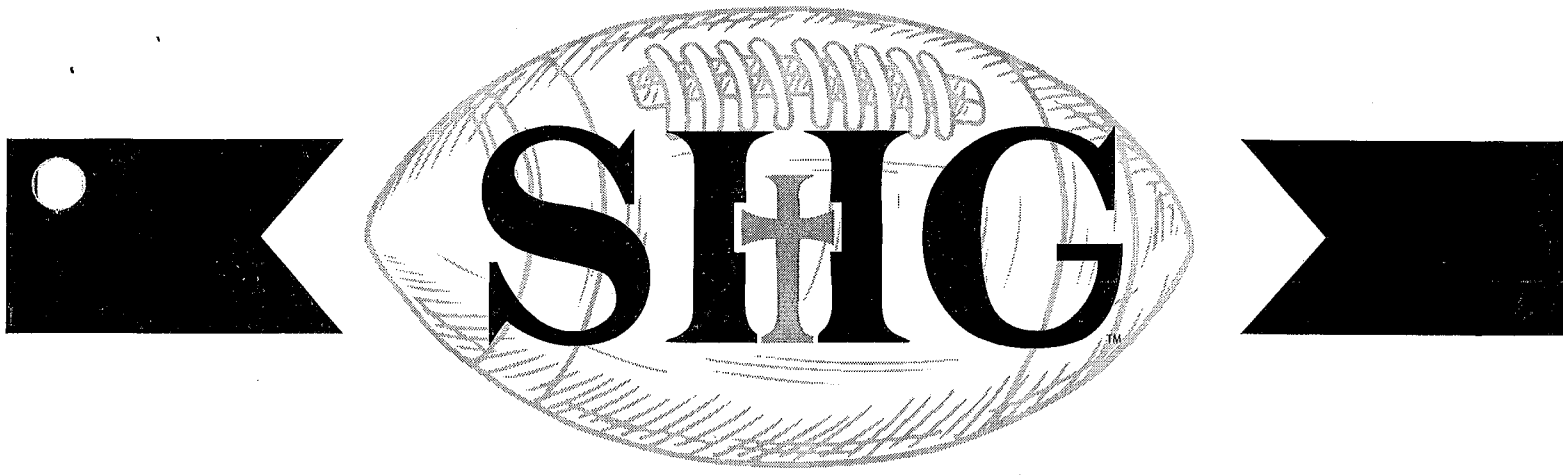

There was a crispness in the air this morning. Many high school and college football teams will be kicking off this weekend. Fall is approaching. It is a fun time of year!

### LFS Happenings:

If you would like your business to be included please send your name, business name and business phone number to [tiffany.bordenkircher@little-flower.org](mailto:tiffany.bordenkircher@little-flower.org). Once completed we will put the document on our school website for reference.

The St. Therese Guild welcomes all women of our parish and school to join us at our meetings. All women of the parish are automatically members of the Guild where we gather for fellowship, food, activities, games or guest speakers.

The St. Therese Guild has been active for over 70 years. Our mission is to assist in a spiritual and material way any parish, church, deanery or diocesan activity that may be recommended by the Pastor and Guild President.

Our \$5 annual dues are not mandatory. However it will be greatly appreciated. Our fundraiser this year is the Bake-less bake sale you may donate to if you choose. Please put your dues and bake sale donations in an envelope and drop in the Sunday collection or mail to the church office.

We hope to see you at our meetings and join us in this important ministry.
