Financial Update

Now that all our financial reports have been completed and submitted, we wish to provide you with the financial status of the parish as of December 31, 2020. It goes without saying the year was a difficult one for everyone including the parish.

Due to the pandemic, the Archdiocese advised all priests they would have to take a 15% pay cut for three months. Our income was down by 17% compared to the previous year. However, we were able to decrease our expenses by 14% from the previous year. It is important to note we started 2020 with a comfortable surplus. Therefore, we were able to complete the year on an even footing, we did not have a surplus but neither did we have a deficit.

This is thanks to all of you. You continued to support your church to the best of your ability and due to that we entered 2021 in a sound financial position. We would be remiss if we did not thank the Knights of Columbus, Council 5558, for their generous donation of \$11,000 last year. The donation was used to cover our snow removal expense and the cost of our insurance.

Fr. Jessi and the Finance and Pastoral Councils, thank you for your continued support and dedication to the parish.

May God bless you.

Wishing you and your family a very

Happy Canada Day

as our country adds another beautiful year to its age.
