The Vine and Branches

God the Father loves us very much and wants each of us to grow in love for Him. He is the vinegrower, and Jesus is the true vine. We are connected to Christ like branches of the vine. God wants us to bear good fruit, that is to grow closer to Him and lead others to Him as well. If a branch of the vine doesn't bear fruit, it is removed. Branches that produce fruits are pruned so that they can produce even more fruits. We must abide, or stay close to Jesus, just as He lives in us. His words and teachings must also live in our heart and mind. When we are close to Christ, we can do anything; when we are separated from Jesus, we can do nothing. We bring glory to God the Father when we bear good fruit and, like disciples, lead others to Him through Jesus Christ.
