# **CALIFORNIA SCHOLASTIC FEDERATION**

**CSF** stands for the **California Scholarship Federation**. **CSF "Life Members"** are those students who have qualified and applied for membership based on grades earned during 4 of the sophomore, junior, and senior semesters (one semester of which must be based on grades earned as a senior).

"Life Members" will receive a special recognition at the Notre Dame High School Senior Awards Night held in May. At that time the "Life Members" will receive **CSF** pins, tassels and gold stoles to wear along with their cap and gown during the graduation ceremony in May.

The list below includes all of the students who not only had Spring 2019 semester grades that qualifies them to apply for membership but who also met the mandatory deadline for submitting an application. Students must reapply for each semester for which they are eligible.

The following list of students qualified for a membership for the Spring 2019 semester.

The number next to the names indicate the total semesters needed to qualify for Life Membership (4 required semester including 1 senior semester to earn "Life Membership")

Please, see Ms. Gabriel if you have any questions regarding **CSF**.
