**Nurturing Gratitude: The Foundation Upon Which the Pillars of Stewardship Stand**

**Presented by Mark Mogilka, *Director of Stewardship and Pastoral Services, Diocese of Green Bay, WI***

If members of a faith community are not able to see the many blessings they have and to affirm and give thanks for their abundant gifts, it is difficult for them to embrace the call to freely share their time, talent, and treasures with others. Cultivating a personal lifestyle or a culture of stewardship in a faith community is dependent on the ability of persons and communities to nurture the “attitude of gratitude”. An exploration of gratitude well as some practical ideas how to personally and communally nurture this virtue will be presented.

**Faith-Filled Ways to Call Parishioners to Serve in the Parish**

**Presented by Sue Erschen, *Freelance Writer and Consultant, St. Louis, IL***

Too often we use secular marketing techniques to invite parishioners to parish ministry. Our appeal gets lost in the busyness of their lives. Proven marketing approaches have value, yet they can lack spirituality. They may not help parishioners discern how God is calling them to serve in the parish. This webinar will look at some ways to let the Holy Spirit guide us in the work of parish ministry.
