NEW ORLEANS

Office of Religious Education

May 2, 2019

Dear Administrators and Catechetical Leaders,

I pray that your Easter Season is a true experience of the Resurrection and you are filled with the joy of the Risen Christ! I want to thank you for all you, your schools and parishes have done this past year in helping form the students, families and staffs. It is inspiring for me when I hear the extraordinary happenings that occur during the year and how God touches the lives of so many.

It has been brought to my attention that there is misunderstandings regarding renewal requirements, so I am writing to explain the renewal process and requirements for teachers, catechists, and administrators after achieving basic certification. The attached document clarifies what is accepted as renewal credit, how to report and to whom to report renewal credits. This information is also on our webpage, www.nolaore.org, under the policies tab. Please call if you have any questions regarding this policy.

Please don't forgot to check out our summer offerings for catechist certification and catechetical leader certification. For additional information for our summer listings and registration links please go to our webpage, www.nolaore.org .

I look forward to working with each of you in the new year as we minister together in fostering the Kingdom of God and leading those entrusted to us closer to God.
