EMPLOYEE AUTHORIZATION

I verify that this enrollment form reflects my benefit elections under this plan. I have read the enrollment materials provided to me. I authorize my employer to deduct from my wages or salary any required premium contribution on a post-tax basis (Voluntary Life/Disability) as stipulated by this plan and my elections. I understand that my election will be effective through the end of the Plan Year and that I may not change my elections unless I experience a qualified change in status (as noted in the enrollment materials). If I experience a change in status, I must notify Human Resources and request to change my election within 30 days of the event, or I must wait until the next open enrollment period to change my election.

Life/Disability Disclaimer: I understand that life insurance coverage for a dependent, other than a newborn child, will not take effect if that dependent is confined to a hospital or other health care facility, or is home confined, or is unable to perform the normal activities of someone of like age and sex. I further understand that if I am not in active service on the date my coverage would otherwise take effect, I will be covered on the date I return to active service.

This disability plan includes a Pre-Existing Condition Limitation. Please refer to your certificate of coverage booklet for complete details regarding these provisions and all other provisions.

Submission of this form does not guarantee coverage. Among other things, coverage is contingent upon underwriting approval and meeting the applicable eligibility requirements as set forth in the applicable benefit booklet

If coverage is waived and you later decide to enroll, you may have to provide, at your own expense, proof of each person's insurability. Guardian or its designee has the right to reject your request.

I acknowledge and consent to receiving electronic copies of applicable insurance related documents, in lieu of paper copies, to the extent permitted by applicable law. I may change this election only by providing thirty (30) day prior written notice.

Truth & Knowledge Disclaimer: I attest that the information provided above is true and correct to the best of my knowledge.

Fraud Statement: Any person who with intent to defraud any insurance company or other person files an application for insurance or statements of claim containing any materially, false information, or conceals for purpose of misleading information concerning any fact material hereto, commits a fraudulent insurance act, which is a crime, and may also be subject to civil penalties, or denial of insurance benefits.

Guidelines for Designation of Beneficiaries

General: Please be sure to include the beneficiary's full name and relationship to you. Providing this information can help expedite the claim process by making it easier to locate and verify beneficiaries.

Minors: While you may designate minors as beneficiaries, please note that claim payments may be delayed due to special issues raised by these designations. In the event of a claim and the beneficiary is a minor child, the insurance proceeds will not be released to the minor child. The insurance proceeds may be paid to a duly appointed guardian of the child's estate. You may want to obtain the assistance of an attorney in drafting your beneficiary designation.

Trust as Beneficiary: You may designate a trust as beneficiary as follows: "To [name of trustee], trustee of the [name of trust], under a trust agreement dated [date of trust]"

Life Status Changes: We recommend that you review your beneficiary designation when significant life status events occur, such as marriage, divorce, birth of a child, etc.

See an Attorney: The above guidelines are general and not intended to be relied on as legal advice. Unless your designation is a simple one, we recommend that you obtain the assistance of an attorney in drafting your beneficiary designation. A qualified attorney can help assure that your beneficiary designation correctly reflects your intentions, is clear and unambiguous, and meets legal requirements.
