October 9, 2020

Dear Parents and Families,

The school year has begun and we are quickly approaching the middle of the first trimester. Progress reports for Grades K to 2 are being sent home today. **Grades for students in Grades 3 to 8 are always available via Parent Portal.** Parent/Teacher Conferences will occur on October 28th and 29th. These annual conferences are an integral part of the communication process and success of a student, and I encourage every parent to touch base with your child's teacher.

Though we are joined as one school community in prayer and many activities, the dynamics of a Pre-K to 8 school are unique between the lower and upper levels. Parent conferences are one such situation. Middle school students see a number of teachers in various subject areas. This is excellent for their academic development, but creates a challenging process for scheduling conferences.

We ask for your cooperation as we plan for our conference days. This year all conferences will be held virtually, either via phone call or Zoom meeting. Grades 6-8 conferences will include all your child's teachers for your convenience. Time frames for conferences are attached.

Please complete the schedule on the other side and return to your child's homeroom teacher by **Friday, October 16, 2020.**

Thank you for your patience and cooperation with this process.

Sincerely,

Mrs. Maureen Tuohy
Principal
