January 2021 Remote Instruction Preference Form

Our Lady of Sorrows School will offer the opportunity for remote learning during the 2020-2021 school year due to the COVID-19 pandemic. While the risk of COVID-19 cannot be eliminated, precautions are being taken to minimize the risk of transmission in the building. There are still many unknown facts about COVID-19, and Our Lady of Sorrows acknowledges and accepts that there are families that are not comfortable with sending their children physically into the building. To that end, Remote Learning is an option for these students. Each month families will be given the choice to send their children in for in-person instruction or to utilize remote learning. Once selected, that choice will be in place for the entire month, and may be changed the next month (unless the physical health of the student changes).

As the parent/guardian, I understand and accept that classes will be livestreamed for students not physically in attendance during the 2020-21 school year because of the Covid-19 pandemic. The school will make every reasonable effort to use technology platforms such as Zoom and Google Classroom. I further understand and accept that my child/children's image/s and/or voice/s may be transmitted during the process of livestreaming.

Below is an agreement for the parent/guardian and student(s) to review and sign if selecting Remote Learning. Please review this information carefully; Remote Learning is an extension of the classroom and adherence to all Remote Learning protocols is expected. The contract is valid from Monday January 4th through Friday January 29th, 2021. **This form is to be returned no later than Friday December 18, 2020 to Mrs. Maureen Tuohy either via email (mtuohy@olsschool.us) or regular mail.**
