

OUR LADY OF SORROWS
PRE K-8 CATHOLIC SCHOOL

"Our Lady of Sorrows Elementary School provides an atmosphere rooted in the Catholic faith, dedicated to individual academic excellence while preparing life-long learners and responsible Christian adults."

January 25, 2021

Dear OLS Families,

As I had stated in our "Return to School Plan" last August, I said I would keep you apprised of events relating to the COVID pandemic as they unfolded. In keeping with that promise, I share with you that today we learned of our school's first positive case of COVID-19. The parents of the children in that affected class have been contacted, and as per NJ Department of Health guidelines, the class will remain on Remote Instruction for the next 14 days. All the proper protocols have been followed, and the necessary rooms have been sanitized and disinfected.

The NJ Department of Health has advised us that we may remain open at this time. We continue to be vigilant with social distancing, mask wearing, and cleaning. The best way you can help us maintain the health and safety of everyone is to monitor your child for COVID like symptoms such as fevers, runny noses, headaches and general well-being. If your child is out or not feeling well and you need any guidance about return timeframes, please contact Mrs. Foley our school nurse. I know it sounds silly, but we do know of those who have had colds and it actually was COVID.

I will keep you informed if there is any other information that needs to be shared. Thank you for your continued support as we meet these challenges. There is a light at the end of the tunnel, we just have to keep moving towards it!

Thank you, and stay well,

Mrs. Maureen Tuohy, Principal
