Basketball Camp - 2021

Important Covid Protocols

This year, there will be many changes in the daily camp routine. Please understand that they are being made with the thought of protecting the children and staff. Their health and safety are our primary concern. Some of these changes are as follows:

- Camp will be limited to 60-65 campers per week.
- There will be no before/aftercare this year. Camp hours will be as they have always been in the past, 9 am to 3 pm.
- Doors will open at 8:45 am. Campers must be picked up by 3:15 pm.
- No one other than the campers and staff will be allowed in the gym. Children will be dropped off at the main entrance.
- There will be designated doors for pickup (will be by camp age groupings).
- Campers will have their temperature checked each day upon entry. No one with a temp of 100 degrees or above will be admitted.
- Children will be grouped by age/skill (three main groups) levels. The groups will be segregated so as not to have contact with each other.
- Lunches & drinks should be brought to camp in small coolers as they cannot be refrigerated with other lunches.
- As in the past, hot lunch will be available for purchase on a per diem basis from a local restaurant. We will order and pick up. (More information about this will be available prior to the start of camp.)
- Plenty of water/sports drinks should be provided as water fountains will be off limits.
- Masks must be worn except during lunch and outdoor activities.
