From Michelle Masset: I wanted to update everyone on the food pantry food distribution that will be held on April 18th. Great Plains Food Bank will be bringing 7 pallets of perishable food that day. It will run from 12:30—2 p.m. in the area where the farmer's market is held in Linton. This is for anyone who is in need of food assistance. They will be required to fill out the sheet we usually use at the food pantry, but that is it. There is no limit on what they can take. They can also pick up food for others if need be. This will be held every other month, same rotation as the commodities at the Catholic Church. The people receiving the commodities will be given information to come down to our site to pick up more food. We have our sign to attach to a couple of pallets and hopefully the weather will cooperate and it won't be so cold. This is open to all residents of Emmons County, so it would be wonderful to have individuals/families from other towns.
