Support the Catholic Home Missions Appeal—Strengthening the Church at Home: A special collection will be taken at all parishes this weekend, September 1st & 2nd. Right now, over 40 percent of dioceses in the United States are considered home mission territory because they are unable to fund the essential pastoral work needed in their communities. Your support funds programs, such as religious education, seminary formation, and lay ministry training, to build vibrant faith communities right here in the United States. Please be generous. More information can be found at www.usccb.org/home-missions. If you forgot your envelope for this special collection, you can still bring it next weekend.
