Unwrap the mystery of the Shroud of Turin with nationally-known clergy/speaker Fr. Robert Spitzer. The Jesuit, Fr. Spitzer, will present “New Scientific Access to Jesus’ Resurrection on the Shroud of Turin” during a public presentation on Tuesday, April 30th at 7:30 p.m. following Mass at St. Mary’s Church in Bismarck. His presentation will tackle the notion that many still believe that the Shroud of Turin was debunked by a carbon dating in 1988 indicating that it originated in the 15th century. However, recent dating tests and other evidence have discredited that carbon dating. More strikingly, recent scientific investigations show not only remarkable correlations to Jesus’ unique crucifixion (from the blood stains), but also evidence for His glorious resurrection from the creation of the most unique image in the world. Fr. Spitzer will discuss this evidence on this most scientifically tested and illuminating relic—and much more. Father says to bring your skeptical family, friends and your questions. The presentation is open to the public at no charge.

Pray for the sick: Scott Miller, Judy Jahner—Mother of Valerie Scherr, Asher Sorrels—Grandson of Kevin & Deb Leier, Agnes Miller, Wanda Heidrich, Karen Fischer—daughter-in-law to Phyllis Fischer, Todd Moch, Leo & Nancy Weber, Victoria Voller, Terry Buechler, and Marvin Feist.
