**Unwrap the mystery of the Shroud of Turin with nationally-known clergy/speaker Fr. Robert Spitzer.** The Jesuit, Fr. Spitzer, will present "New Scientific Access to Jesus' Resurrection on the Shroud of Turin" during a public presentation on Tuesday, April 30th at 7:30 p.m. following Mass at St. Mary's Church in Bismarck. His presentation will tackle the notion that many still believe that the Shroud of Turin was debunked by a carbon dating in 1988 indicating that it originated in the 15th century. However, recent dating tests and other evidence have discredited that carbon dating. More strikingly, recent scientific investigations show not only remarkable correlations to Jesus' unique crucifixion (from the blood stains), but also evidence for His glorious resurrection from the creation of the most unique image in the world. Fr. Spitzer will discuss this evidence on this most scientifically tested and illuminating relic—and much more. Father says to bring your skeptical family, friends and your questions. The presentation is open to the public at no charge.

**Baccalaureate** will be held on Sunday, May 12th, at Sts. Peter & Paul Parish for all Strasburg and Hague Graduates for all faith denominations at the 8:45 a.m. Mass, and also at St. Michael's Parish of Rural Linton, at the 11 a.m. Mass.

Then, in our time too, "men and women in great numbers" will be "added to the Lord."

**Stewardship Thought:** Stewardship is not just job-oriented or project-minded. It is a way of life for a lifetime.

**Vocation Views:** God has chosen to dwell with us. How can you best share your gifts to reveal his presence? (Revelations 21:1-5)
