**CAPITAL CAMPAIGN UPDATE**

**Grateful Hearts – Forward in Faith**

**STRETCHING TOWARDS OUR STRETCH GOAL!**

Some people have asked a good question: why do we keep raising money if we have already achieved our original goal of $3.5 million? The good news is that with our current pledges—which have continued to rise to just over $4.3 million—we can indeed build the basics of the facility we have dreamed of for so long. But, if you haven’t yet made a pledge, don’t think that your sacrifice isn’t necessary!

**What remains unfunded?**

- $400k to “upsize” the gymnasium from a middle school size to full-size which would allow a greater flexibility in usage of the space as well as simply more “elbow-room” for all activities that go on there
- $250k as our contribution to the renovation of an 18-bedroom convent to be the home of the Handmaids of the Heart of Jesus; if you are excited about nuns returning to Holy Family next year, then this is the time to show your gratitude!
- $100k for HVAC improvements in church to improve our ability to control temperature and humidity levels; have you ever been too hot or too cold in church? This is the answer—you can be part of the solution instead of just complaining!

**Misc. unfunded needs:**

- furnisings for the gym/theater (including expensive items such as bleachers, stage curtains, scoreboard, A/V system, etc.) as well as for the new classrooms/meeting rooms
- we know that we will have two new classrooms/meeting rooms but depending on construction costs (which have risen 40% in MN over the past three years), we are still unsure if we can afford any more; it would be great to have specialized rooms: Atrium for Catechesis of the Good Shepherd, science lab, art studio, music room
- creation of a new space for youth and young adult activities
- parish library

Thanks for your generous sacrifices to help us better do God’s work in our community!
