

Electronic Communication Permission Form

For teens who would like to receive electronic communication concerning Youth Group activities, written parental consent is required by the Diocese of Lansing. In order to respect the diocesan desire to safeguard and protect all the youth in the diocese, please complete this simple permission slip.

Diocesan Handbook Section II. B. states: “Adults may not be in electronic communication (Ex: email or text message) with youth unless the parents have authorized the communication in writing.”

I grant permission for the members of Saint Patrick’s staff to have electronic communication with my child _____ via for the purpose of youth group announcements and youth group activities, trips, and service projects.
