

Dear St. Bridget family,

As we continue to move prayerfully through these challenging times, I pray that you and your loved ones are taking care of yourselves and one another.

In an effort to continue to connect and communicate with our community, I would like to provide the following information and updates:

A. Mass. I have been celebrating Mass daily and praying for you all and for God's intervention in this pandemic. Therefore, to all those who asked for Masses to be offered for their particular intentions on particular days, be assured that your requests are being fulfilled. Arrangements are underway to have the Mass accessible to you via live stream based on the following schedule:

Today the Solemnity of St Joseph, Mass will be at 6:00pm.

Daily Mass 8:30am and Sunday, Mass at 10 a.m.

You can join the live stream:

1. **On Facebook:** [facebook.com/StBridget](https://www.facebook.com/StBridget)

2. **Website:** <https://stbridget-htdiocese.org>

While we cannot be together physically for our regular liturgical, prayer and social activities, let us stay joined together in spirit. I will also be making regular postings on our facebook and website.

B. Church and Chapel: The Church and Chapel are open and available for prayer and reflection. Please feel free to come and pray while ensuring social distancing and hygiene requirements (washing hands and using hand sanitizer).

C. Bulletin: The Bulletins are available on our Parish Website. You can also pick them up from the Church.

C. Emergencies: I am available to take care of emergency spiritual needs in our St Bridget Family, especially the Sacrament of the Sick. Please do not hesitate to call (985-446-6801).

Please continue to check our webpage and face book page regularly for important updates. I also encourage you to keep tuned to communications from our Shepherd Bishop Shelton Fabre, on the Diocesan website and facebook.

Yours in Christ,

Father Simon Peter
