# Christmas Blessings

### Merry Christmas from St. Anne Parish!

This year is the 200th anniversary of the first Christmas at which the song "Silent Night" was sung. It is a song composed by Franz Xavier Gruber, a parish musician who used a poem written by his pastor, Fr. Josef Mohr. This song in English has only three verses, but there were six verses in the original German. One of those extra is:

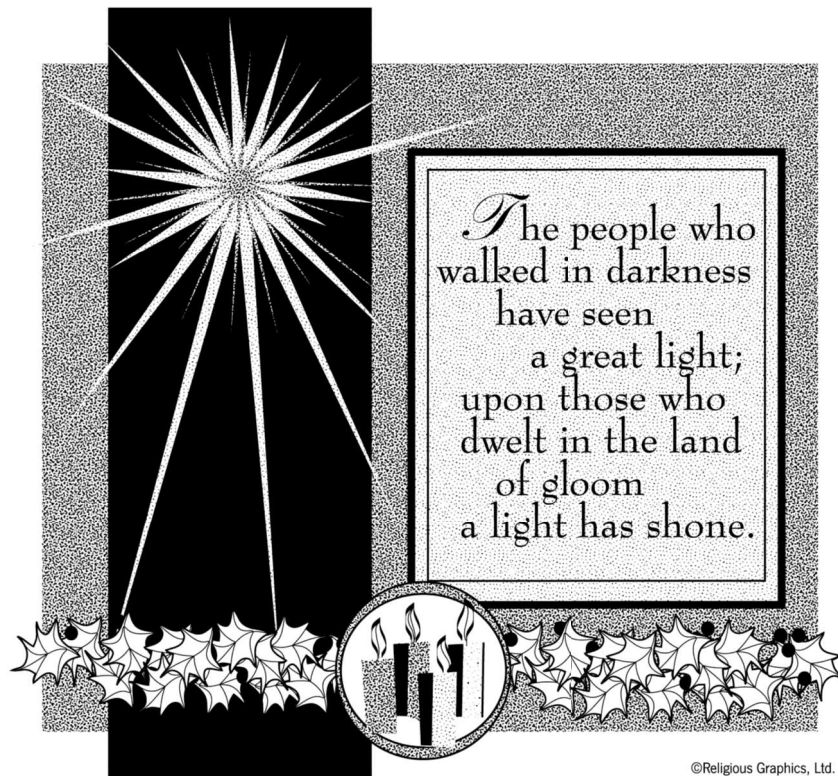

Silent Night! Holy Night!  
Brought the world gracious light,  
Down from heaven's golden height  
Comes to us the glorious sight:  
Jesus, as one of mankind,  
Jesus, as one of mankind.

Sometimes poetry and music express in a clearer way what can be hard to otherwise say – that the God from on high came down to be with us, born a human yet still God. Through all the meals, gifts, and activities with family and friends, may you experience the precious light and glorious sight of Jesus this Christmas, who truly is Emmanuel, the God-who-is-with-us.
