MESSAGE FROM FATHER JOHN DAVID SCAM ALERT!!: In recent weeks we have become aware of an increase in scam activity in our diocese. An example is where some of our priests' names are being used to fraudulently solicit gifts or favors from members of our church families.

The perpetrator will typically text or email the prospective victim identifying themselves as their respective church's pastor with an opening greeting something like, "*Will you do me a favor?*", and then proceed to ask if you would be willing to donate money or gift cards for some particular cause.

It is important for you to know that I would NEVER email or text any parishioner for such a purpose. I would ALWAYS contact any of you by phone or face-to-face for any such request.

This "phishing" (*pronounced 'fishing'*) scam is very prevalent across the country right now and the perpetrators are easily able to determine the priests' names at various churches through websites, church bulletins, etc., and then spoof the priest's identity in their scam.

Please be vigilant in the weeks and months to come, because this was NOT just a holiday scam. Please contact the church office should you receive a text message or email with such a request.
