

## SFX School Photos Fall 2020

The school photo process for 2020 will be a bit different from past years, so we ask for your patience and understanding while we all work with a new process. This year photos for Grade K to 8 will be taken in the Gym on Saturday Sept 26 and Sunday Sept 27. A one hour block of time has been set aside for each grade and we ask that you come in only during the specified time so we can avoid overcrowding. One parent can come with the student and upon entering will do a temperature scan for everyone's safety. We will have chairs set up spaced 6 feet apart as a waiting area. Parents will have the ability to view the photo when it is taken so we can have an approval and avoid a retake day. Also, there will be no class photos for this year due to social distancing rules. We also ask that you show up early in the hour for your grade so we avoid classes overlapping.

Hard copies of the order form will be distributed in school for those who are not doing remote learning and all others can print the forms that are online. Just return the bottom portion of the form on picture day. Also, if you would like to have your child included in the yearbook you can still have a photo taken without ordering a package.
