Blessed Father's Day to all our fathers, grandfathers and Godfathers!

We conclude our liturgies this week-end: *Loving God, as a father gives life and nourishment to his children, so you watch over your Church. Bless these men, that they may be strengthened as Christian fathers. Let the example of their faith and love shine forth. Grant that we, their sons and daughters, may honor them always with a spirit of profound respect.*

Father's Day is a celebration honoring fathers and celebrating fatherhood, paternal bonds, and the influence of fathers in society. In Catholic Europe, it has been celebrated on 19 March (St. Joseph's Day) since the Middle Ages. This celebration was brought by the Spanish and Portuguese to Latin America, where 19 March is often still used for it, though many countries in Europe and the Americas have adopted the U.S. date, which is the third Sunday of June. It is celebrated on various days in many parts of the world, most commonly in the months of March, April and June. It complements similar celebrations honoring family members, such as Mother's Day, Siblings Day and Grandparents Day.

FATHERHOOD
IS A VOCATION IN
GOD'S SERVICE
TO BE NOT HELD **lightly**
OR **frivolously**
BUT WITH THE
SERIOUS DETERMINATION OF
SERIOUS MEN.

A customary day for the celebration of fatherhood in Catholic Europe is known to date back to at least the Middle Ages, and it is observed on 19 March, as the feast day of Saint Joseph, who is referred to as the fatherly *Nutritor Domini* ("Nourisher of the Lord") in Catholicism and "the putative father of Jesus" in southern European tradition. This celebration was brought to the Americans by the Spanish and Portuguese, and in Latin America, Father's Day is still celebrated on 19 March. The Catholic Church actively supported the custom of a celebration of fatherhood on St. Joseph's day from either the last years of the 14th century or from the early 15th century, apparently on the initiative of the Franciscans.

Father's Day was not celebrated in the US, outside Catholic traditions, until the 20th century. As a civic celebration in the US, it was inaugurated in the early 20th century to complement Mother's Day by celebrating fathers and male parenting.

In 1911, Jane Addams proposed that a citywide Father's Day celebration be held in Chicago, but she was turned down. In 1912, there was a Father's Day celebration in Vancouver, Washington, suggested by Methodist pastor J. J. Berringer of the Irvington Methodist Church. They mistakenly believed that they had been the first to celebrate such a day. They followed a 1911 suggestion by the *Portland Oregonian*.

Harry C. Meek, a member of Lions Clubs International, claimed that he had first come up with the idea for Father's Day in 1915. Meek said that the third Sunday in June was chosen because it was his birthday. The Lions Club has named him the "Originator of Father's Day". Meek made many efforts to promote Father's Day and make it an official holiday.

Quick one-liners for you:

- Heads-up: like many who are receiving calls from scammers and repugnant telephone marketers, the Office answering machine diverts faux calls if the person/number isn't identified. If it is a legitimate call, we can intercept the call; otherwise, the delete button is used!
- Two pianos have been sitting around St. Peters for a LONG time! Both need some tuning. A Kimball (serial #546345 circa 1953-54); a Wurlitzer (serial #653428 circa 1925-26). \$300.00 each OBO. Anyone interested in purchasing a piano? If so, please schedule an interview with a piano during Business hours! The pianos will only be advertized till 30 June!
- Something scary! Consult a recent edition from the Pew Research Center: <http://www.pewresearch.org>, scan for: Teens, Social Media and Technology 2018. If that report doesn't wake up parents, I don't know what will.
- Also from a recent Pew Research Center:

Pulaski County, Indiana, is a rural county with a shrinking population. The nonwhite share of the population has increased 1 percentage point since 2000, and the share ages 65 and older has increased 3 percentage points.

Pulaski County

	2000	2016
Population	13,755	12,910
Nonwhite share of population	4%	5%
Share of population ages 65+	15%	18%
Share of 25- to 54-year-olds who are employed	76%	75%

- Did you notice???
- St. Peter's will have a second collection next weekend to benefit the Cemetery Fund. Envelopes may be found in the pews. Thank you for your continued support.
- DONATIONS NEEDED:** Do you ever get religious items in the mail that you did not order or have extra items around your home and don't want to throw them away? There is now an opportunity to donate them. Sister Mary George Kissel, a member of the Sisters of St. Benedict from the Immaculate Conception Monastery in Ferdinand, IN, collects rosaries, religious medals and pictures of Saints and provides them to children of poverty in Evansville, IN and Owensboro, KY. Sister Mary George also collects coloring books, crayons, colored pencils, paper and construction paper for children in the Appalachian region.

You can assist with Sr. Mary George's ministry by placing such items in designated containers at the back of each church and they will be delivered to the Monastery in November. If you have any questions, please feel free to contact Julie Chapman 574-946-6717, Diane Kolish 574-242-0873 or Linda Webb 574-946-6040.
