*Oh, by the way,*

All Saints' Day is a solemn holy day of the Catholic Church celebrated annually on 1 November. The day is dedicated to the saints of the Church, that is, all those who have attained heaven. It should not be confused with All Souls' Day, which is observed on 2 November, and is dedicated to those who have died and not yet reached heaven.

Although millions, or even billions of people may already be saints, All Saints' Day observances tend to focus on known saints --that is those recognized in the canon of the saints by the Catholic Church.

The choice of the day may have been intended to co-opt the pagan holiday "Feast of the Lamures," a day which pagans used to placate the restless spirits of the dead.

The Holy Day was eventually established on 1 November by Pope Gregory III in the mid-eighth century as a day dedicated to the saints and their relics.

**All Saints' Day is a Catholic Holy Day of Obligation in America, meaning all Catholics are required to attend Mass.**

**Thursday 6:00 p.m. at St. Joseph**

**6:00 p.m. at St. Peter**

All of you have heard about the Uniting in Heart 2030 Pastoral Plan! I trust everyone has been reading **The Catholic Moment** on a regular basis about this undertaking. NO ONE will be surprised or caught off guard! The timeline continues! As a succinct aide-mémoire, a few key points:

**What is the purpose of Uniting in Heart?**

The Uniting in Heart 2030 Pastoral Plan is being put in place because we are one Church, to make Jesus Christ known to the people and for the salvation of souls. The plan will help the parishes and schools that make up our diocese become more vibrant, stable and mission driven. It is also meant to help standardize operational processes and provide training and assistance. In other words, to unite in the heart of Jesus through Word, Sacrament and Charity.

The ultimate goal of the plan is to Unite Hearts in the heart of Jesus by the power of the Holy Spirit and the Church (Christ's bride & our Mother) through our 3 Pillars (Mission, Community, Witness) and our new Pastorate structure. The new Pastorate structure will allow

for us to identify strong leaders with a missionary spirit to pastor and to best utilize the various gifts and talents of all of our clergy and lay leaders to implement the plan.

### How many parishes and pastorates do we currently have now, and how many does this plan envision?

We currently have 48 pastorates made up of 61 parishes across 5 deaneries. This plan outlines 28 pastorates of 61 parishes across 3 deaneries.

### How many priests do we have now and how many do we anticipate by 2030?

We currently have 59 priests and by 2030 anticipate that number to be down to 48. By 2033, we will have 38.

### Does this plan mean I'm going to lose my Pastor? Will I be getting a new priest?

The formation of 28 pastorates with 28 pastors does mean that many parishes will have a transition in pastoral leadership (priests). Although under the leadership of one pastor, many pastorates will still have access to more than one priest with the goal of growing a community of faith within the cities and towns in which you live. It is worth noting that about 80% of all priests will have a new assignment when the new pastorates are implemented.

### Why would a parish remain open if there are no Masses celebrated there?

Parishes may remain open to celebrate weddings or funerals or to be used as a place of worship during the day.

### Is there a place I can go to see the presentation or get the handouts?

Visit the diocesan website at: <https://dol-in.org/uih-about>

*Meanwhile, back at the ranch... fr. K*

### Quick one-liners for you:

■ Fall back next Saturday evening, November 3<sup>rd</sup>! Before going to bed, remember to set your clocks back one hour!

■ Congratulations to St. Peter's! A check was received this past week from the

Diocese in the amount of \$1,911.89. This represents our first overage check for the Fruitful Harvest 2018 Campaign. Thank you and God Bless all who continue to fulfill their pledge donations! 50% of the overage received over our goal will continue to be returned back to our Parish in addition to the 10% rebate that each parish receives when the goal is reached.

■ This weekend at all Masses, we will be handing out books to all parishioners. The book, *Letter to a Suffering Church* by Bishop Robert Barron, has been made possible by a very generous parishioner of St. Peter's. The Bishop speaks on the sexual abuse crisis. It is a very good and easy read. After you read your suffering book, pass it along to another. This is a wonderful way to help evangelize our Faith! Thank you to our

donor for making this possible!

■ The St. Joseph Parish Council will meet this coming Thursday, October 31<sup>st</sup> at 7:00 P.M. in St. Joseph's Rectory. All members are encouraged to attend Mass for the Holy Day and then meet for the meeting. Please bring your laptops and cellphones. We will be using hotspots.

■ In the next several months, we have many activities that will be taking place. And your help is needed!

1. Our High School RE Classes are organizing a Food Drive on Wednesday, November 20<sup>th</sup>. Students will be using their class time on that evening to walk door to door collecting food donations for the Pulaski County Food Pantry. Anyone that would like to support them but do not live in town is encouraged to bring food items to the Parish.

2. Our High School RE Classes will also be placing an Angel Toy Tree in each of our Cluster Parishes beginning in the next couple of weeks. Tags will be placed on all the trees indicating a child's age and a type of toy donation that the child is wishing for Christmas. The toys will be collected and given to Human Services, then distributed to the needy families who signed up. More details will follow up in our bulletin within the next couple of weeks.

*Thank you for supporting our kids, Pulaski County and those in need!*

3. Our Cluster will once again be collecting monetary donations to purchase hams for the Holiday Food Baskets at the Food Pantry. *We will not be collecting items during the month of November or December for our Lazarus Collection.* All funds will run through St. Peter's so please make your donation payable to St. Peter. Last year, not only we were able to purchase hams for the baskets, but also a box of jello, pudding, macaroni and cheese and stuffing with your donations. Our Cluster is so generous when it comes to helping those in need! We are the only group in Pulaski County that is able to collect enough donations to cover the cost of the hams and more! Donations may be placed in the collection basket (please mark holiday food baskets). Thank you!
