A Stewardship Moment

The Gospel story of the transfiguration of Jesus holds many lessons; the most prominent being the transformation of Jesus from simply being perceived as a wise and gifted prophet to the one who has fulfilled the sacred traditions of the Mosaic law and the hope of the prophets, the Messiah, the Christ. The Lord calls his stewards to participate in His redemptive activity. Heeding this call requires transformation, being willing to renounce patterns of behavior that draw us away from God. In this coming week of Lent, let us pray for the grace to be transformed, so that by our goodness and generosity, we may walk more authentically in the footsteps of Jesus.

Third Sunday of Lent

KEEP HOLY THE SABBATH

There's no better way to deepen our Lenten practice than to review the Ten Commandments. The first three, having to do with our right relationship to God, get the most ink. The one we busy people probably have the most problem with is keeping holy the Sabbath.

If we take this commandment literally, babies will go undiapered and dishes will stay on the table, or perhaps meals will not be served. The sick will go unattended and nothing that has anything to do with physical labor will be done. Is mental labor really work? How about changing that dirty diaper (poor baby!)?

We need to depend on God to discern how to observe real Sabbath time in our lives. The point of this commandment is that God has given us a great gift: one whole day per week when we are free to rest, worship God, sing, feast, love, and rejoice. As Psalm 19 proclaims: "The law of the LORD is perfect, / refreshing the soul" (19:8). Our Sabbath rest is a great gift, to be received from God with joy, not with nitpicking.

TREASURES FROM OUR TRADITION

If your parish is reading from Year B of the Lectionary today, and not Year A, as is normally done when there are elect present for the scrutinies and preparing for Easter baptism, you hear about Jesus driving the money-changers from the temple. If you wished to get as close as possible to this site today, you would in fact be at a Muslim shrine, the Dome of the Rock, built on the ruins of Herod's temple.

Archeologists believe that this striking, gold-domed crown of a shrine is set precisely where the Holy of Holies once was. Jews believe that the rock is the exact spot where Abraham was prepared to sacrifice Isaac. It is not a mosque, as some think, but a shrine, the oldest one in the Muslim world. For them, the rock is the place from which the Prophet Mohammed ascended on a visit to heaven. The Crusaders mistook the shrine for the actual Temple of Solomon, and the infamous Knights Templar used it as their headquarters and model for their churches elsewhere. The geometric perfection of the shrine is a mathematician's dream. The inscriptions are not exactly hospitable though, since they encourage Christians to "depart from error" and declare that "Jesus son of Mary was only a messenger of God." In ancient times, those who prayed here after walking around the rock were given a certificate entitling the bearer to admission to paradise. The ticket had to be buried with them.
