SPIRITUAL EXCELLENCE SERIES

The Path to Happiness, Holiness, and Heaven

PURPOSE OF THE SERIES:

Many of us are challenged by all kinds of issues including: fear, stress and worry about our families, jobs, health and future; temptation and sin; physical or emotional suffering; doubt in your faith; conflict and adversity; and little or no self-discipline. Happiness and Holiness have been replaced by one or more of these issues. We are searching for a remedy for them and have not been able to find one. The series on *Spiritual Excellence* directly addresses these challenges and many more and provides a remedy for them thereby restoring our Happiness and Holiness.

PRESENTATION OF THE SERIES:

The series consists of six sessions lasting about 75 minutes each. In session one, we will answer these questions: why am I the way that I am and how did I get to this point in my life? Also, each participant will be asked to do a private spiritual self-audit, in preparation for session two, to identify the specific issues that negatively impact him or her. Sessions two and three address an analysis of these issues. Sessions four and five cover the remedies for these issues. In the last session, each participant will develop an individual spiritual plan to follow that is a permanent resolution for these challenges which leads to a life dedicated to *Spiritual Excellence* and the path to Happiness, Holiness and Heaven always doing the will of Jesus.
