## Nothing Ordinary, About Ordinary Time

By: Joshua Kapika

What's so ordinary about ordinary time? Well for many the season of ordinary time is often mundane and without meaning, but if we truly understood the purpose for this season of green we see that this ordinary season isn't ordinary at all.

The word ordinary in this instance doesn't mean common or mundane but simply that the weeks of Ordinary Time are numbered or counted. Ordinary comes from the word ordinal which means of or relating to order, rank or position in a series. We live our lives in

this season neither in feasting like in Christmas and Easter nor in penance like Lent or Advent. Ordinary time is the season in which we look at the life and teachings of Jesus Christ and watch in anticipation for his second coming.

During this season of Ordinary Time we can often feel like things are normal and ordinary, but we can do more. Ordinary Time is a time for us to grow closer to Christ and learn through his examples. We can live extraordinarily during this season of ordinary time. We can choose to walk with Jesus and reach out in the same ways he has in the Gospel. This season isn't a time to sit around and do nothing, it's a season to get up and do something. Feed the hungry, clothe the naked, shelter the homeless. You don't have to wait till Lent to help someone—you can do it now.

As we begin this season of Ordinary Time, think about the ways Christ speaks to us in the Gospel and how you can take his example and use it to lead you to do more. Think about how you can make this season of Ordinary time more Extraordinary.

May God bless you in this season of Ordinary time and may his life be your guide to help make this Ordinary Season more Extraordinary.

## Lukewarm Faith—Not My “Cup of Tea!”

By: Justin Agustin, Master Catechist  
St. Joseph Church, Waipahu

Have you had a cup of tea that has been sitting out? The taste of was once an aromatic boiling hot tea now becomes a stale room temperature drink—yuck!

Now how does this tie into our faith? That’s easy! Stay “Hot! Hot! Hot!” in your Catholic faith. Do not be lukewarm. I repeat, do not be lukewarm.

Pope Francis said that Christians are in jeopardy of becoming “lukewarm” where we become “Christians in appearance” but we fail to conduct ourselves as Christians. We all have in some way or form become tepid in our actions as Christ’s Disciples. One of the main entities that quenches our faith is sin. Every time we fall, we gradually put out the fire of faith making us lukewarm. After enough occasions our faith can even grow cold.

Lukewarm faith is not my “cup of tea” —so let us set our souls ablaze with the zeal of Christ! Avoiding sin and being a Christian that is more than skin-deep will surely keep our temperature high! Therefore, with that roaring fire in us and with the words of St. Ignatius of Loyola as our motto, we can “Go forth and set the world on fire.”
