**SUNDAY REFLECTION  
 HOLY TRINITY**

**Fr. Ernie Juarez**

In the 1st reading (Dt 4:32-34,39-40), Moses was urging the Israelites to realize that no one has ever heard that a God has done extraordinary wonders to save His people, no God has spoken as he did to Abraham and the patriarchs and to Moses in the burning bush.

In the 2nd reading (Rom 8:14-17), Paul teaches us: “For you have not received a spirit of slavery leading to fear again, but you have received a spirit of adoption as sons by which we cry out, ‘Abba! Father!’” (Rom 8:15)

In the gospel reading (Mt 28:16-20), Jesus commands us: “Go therefore and make disciples of all the nations, baptizing them in the name of the Father, and the Son and the Holy Spirit, teaching them to observe all that I command you; and lo, I am with you always, even to the end of age.” The readings

assist us in understanding and appreciating the great mystery of the Most Holy Trinity. And one of our trademarks as Catholics is making the sign of the cross; it is the simplest form of prayer, and it is almost automatic for us Catholic Christians to make the gesture but let us bring it to its original sense.

In making the sign of the cross, we consecrate ourselves, our bodies, our activities, our food and our every endeavor. That is why it makes sense all our liturgies begin and end with the sign of the cross. We engage in the acts of worship in the name of God. There is always UNITY among the three as a COMMUNITY.

A Christian is always an agent of UNITY and COMMUNITY in the world. Religion is not the only basis of unity and community. If we cannot unite and build community with people because of religious differences, we can always explore other grounds for unity.

*Continued on page 2*

*Continued...* We can unite and harmony around a common purpose, such as for the common good, for the good of the environment, for the protection of the weak and the vulnerable. We can always unite with people of good will, and transcend cultural, racial, linguistic, political, and religious differences. We're not Catholic if we can have communion only with people of our own faith and beliefs. We are in fact forfeiting our catholicity if we believe that salvation is exclusively only for us. To be catholic is to believe that God desires the salvation of all humankind. We are not being truly "catholic" if we cannot be instruments of peace, unity,

On this Feast Day of the Holy Trinity, let us remind ourselves that the sign of the Cross is the sign of the Trinity. That this beautiful gesture is a prayer. That this sign means we consecrate our lives, our actions, our food, in the holy name of God, who is GRACE, LOVE, and COMMUNION. If we hallow ourselves in the name of God who is Trinity, it means we commit ourselves to becoming agents of GRACE, LOVE, AND COMMUNION.

This summer program is designed especially for our youngest learners to build their classroom learning skills in a fun and engaging manner. Every Friday is “water day”, so they will not be missing out on enjoying their summer vacation.

**Full-day and half-day option available.**

## **GRADES 1—8 (in-person)**

## **HIGH SCHOOL (on-line)**

**Self-paced**

Students entering Grades 9–12 have a variety of courses to choose from to either get ahead by earning additional credits or to remediate for any lost credits. Courses are all online and allows students to work over the summer at their own pace.
