

Camp Intrepid

Camp Intrepid is our full-day camp program where history and STEM come alive! Camp Intrepid offers a friendly environment where campers are encouraged to work together on artifact analysis and engineering challenges that put their creativity to the test. Each day, campers dive into lessons about aviation technology, the history of Intrepid or space exploration in age-appropriate lessons that encourages campers to think critically, while they explore topics related to the exhibitions at the Museum and question the world around them.

- Offered in the winter, spring and summer
- Held from 9:00am to 5:00pm
- Early drop-off and late pick-up options
- Complimentary use of Museum parking during drop-off and pick-up
- Nut-free environment
- Pre-pay lunch options
- Morning and afternoon snacks provided

For more information, visit intrepidmuseum.org/campintrepid or email camp@intrepidmuseum.org.
