

Financial Assistance and Scholarship Application Information for School Year 2020-2021
DEADLINE: APRIL 15, 2020

We are pleased to inform you that the Archdiocese of New York and Inner-City Scholarship Fund will soon be inviting current students to renew their award(s) for the upcoming 2020-2021 school year:

IF YOUR CHILD IS RECEIVING A SCHOLARSHIP WITH CHILDREN'S SCHOLARSHIP FUND, YOU WILL RECEIVE SEPARATE INSTRUCTIONS FROM THEM.

Renewal applications can only be completed online, **so you must have a functioning email address**. If the email address on file with TADS is not correct or accessible, you will not be able to access the financial aid application. If you do not have access to a computer, please see your principal for assistance.

The email address TADS has on file for you is:

make sure this correct * Email: *

If this email address is not correct or active, please log in to TADS and update your email address. *Note: you may need to use your old email address to log in.*

HOW TO UPDATE YOUR TADS EMAIL ADDRESS: Once logged in to TADS, click on your name located on the upper right-hand side of the page. Under the Email section, click on the pencil icon to edit the email address on file.

RENEWING YOUR FINANCIAL AID PACKAGE: In early February, you will receive a message to your TADS primary email address with the financial aid application link and access code. You will be able to apply for all eligible students in your household using **one** financial aid application. Please be sure to use the above email address to login to TADS and submit your renewal application. Creating a second TADS account will cause a delay in processing your financial aid application.

You will only be eligible for financial aid or scholarship awards when the online application is completed and all of your supporting documents have been submitted to, and reviewed by, TADS. Instructions on which documents you need to submit, and where to send those documents, are provided in the online TADS financial aid application.

If your family chooses **not** to re-apply for financial aid, or plans to withdraw from the school or transfer to a new school, please inform your principal immediately. **The priority deadline to SUBMIT your application is Wednesday, April 15, 2020. Supporting documents may be submitted after this date, however, financial aid applications submitted after this date may be subject to lower award amounts.** All awards are subject to available program funding and deadlines.

There is a non-refundable \$39.00 application processing fee payable by credit card. If your family has more than one student applying for financial aid/scholarship, your family should submit only one application containing all students' information.

Please apply as soon as possible. If you have any questions, please contact our Parent Help Line at 646-794-3318 and have your TADS ID available. We look forward to serving you through the 2020-21 school year!

Sincerely,

Michael J. Deegan
