Dear Catholic Schools Family

Our federal representatives are moving quickly to develop the next COVID emergency relief measure. Yet to be decided is whether and how to provide any such assistance to our Catholic schools and families. As you know, Cardinal Dolan and the Office of the Superintendent of Schools have been actively engaged to ensure that equitable services are provided to our students and schools.

Please take two minutes out of your day today to respond to the action alert linked below. We need your voice *now* to help ensure that the needs of our Catholic schools and their students, teachers and families are included in this critical legislation! COVID does not discriminate -- our legislators shouldn't either!

Thank you for your support.

Sincerely,

Office of the Superintendent of Schools
