

2020 Extended Learning Year

Be a Part of Summer Success!

The Archdiocese of New York is proud to offer Extended Learning Year program this summer to eligible K-7 students in partnership with Catapult Learning. The program includes a robust educational opportunity with hands-on learning experiences and field trips that keep students learning while having fun alongside their peers

Engaging summer curriculum includes:

Literacy lessons focus on developing comprehension, vocabulary, fluency, and composition

STEM activities aligned with 21st Century learning standards encourage exploration and discovery through project-based learning

Field Trips build on classroom learning through exciting excursions to locations across the city!

Be a Part of Summer Success!

We are still accepting host schools for the 2020 Extended Learning Year program.

Program Details:

Catapult Learning will manage program staffing, training, student recruitment and provides all materials. Programs will be hosted at ADNY schools throughout the city.

Dates: June 29th - August 6th; Monday-Thursday (6 weeks)

Time: 8:00am-12:45pm

Don't miss this opportunity, time is running out!

2019 Extended Learning Year: A Summer Success

2,000+ Students

ELY Combats Summer Slide

A comparison of pre- and post- test scores showed increase in both Reading and Math MAP Scores in elementary and middle school students with high attendance in ELY program.

My daughter attended the STEM Program at Our Lady Queen of Peace this summer. I have to say after my daughter attended I saw a remarkable change in her. She truly enjoyed this program and now has a love of science. She is more inclined to want to sit down and read, do math, and study her sight words something she did not want to do before.... I know that these early years are the foundation of a child, and this is where they get the tools to succeed in life.
