Isn’t it curious in this weekend’s Gospel that the works of God are made “visible” through a man whose eyes have never had the gift of sight in his entire life? But there are two types of blindness in this story – physical blindness of the man that Jesus heals, and spiritual blindness exhibited by the Pharisees.

I had a close friend in college who was blind at birth. We studied computer science together and he amazed me. On programming projects, he assembled the entire computer program in his mind, not needing to rely upon working it out on a computer screen. You could say he had a “vision” of computer programming that most others in the computer science department never attained.

Also note that the blind man from our Gospel did not himself approach Jesus seeking a healing, but that he was simply the subject of question by Jesus’ disciples. We sense that the disciples noticed and pointed him out as they were walking along when they asked Jesus who committed the sin that caused the man’s blindness. Through Jesus’ miraculous healing – the blind man himself tells the Pharisees that it is unheard of to have the eyes opened of a man born blind – God’s works are made visible to those not only able but willing to see them. The Pharisees were able yet unwilling to see so they continued in blindness to the mighty works of God. The blind man, on the other hand, gained vision that would serve him for eternity.

As we enter this fourth week of Lent, may we reflect on our areas of spiritual blindness, those situations that we gaze upon with our own eyes yet do not see through the eyes of faith, and ask our heavenly Father to heal us of our own blindness.

Dear Parishioners,

During this difficult time concerning the COVID-19 virus, I wanted to communicate with you our most recent updates for SLDM. Our parish staff will be continuing to look at new ways to support your needs and continue to share the faith, so please stay tuned.

In conjunction with recommendations from the CDC, the city of Fishers, and Bishop Doherty, the following directives are in effect at SLDM.

**Until further notice, all public Masses and meetings at St. Louis de Montfort have been suspended or will be available online until further notice.**

More information regarding online streaming will be published as it becomes available.

Additionally:
- The Church will be closed until further notice.
- The Adoration Chapel is closed until further notice.
- Celebration of the Sacraments, including Reconciliation (Confessions), Baptisms, Confirmation and Holy Matrimony are postponed until further notice.
- Funerals will be postponed when possible.
- The Parish office is closed until further notice.
- Our hope is to keep the food pantry open normal hours in the coming weeks. The food will be brought outside for a drive thru distribution.
- A recorded Sunday Mass will be posted on the parish website home page. The Bishop is recommending that the faithful make an act of Spiritual Communion. As an example: *My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.*
- The faithful are encouraged to read the Sunday readings at home and pray the rosary.
- The priests will be saying private Masses which will include all the Mass intentions.
- The parish bulletin will be available, as always, on the parish website.
- A priest will be on call and can be reached by calling the emergency number 317-965-6522.
- The Lenten Penance Services have been cancelled.

Please do your best to stay healthy and know that we are lifting you in prayer.

- Fr. Pat Click
Remember in Your Prayers
ALL THOSE AFFECTED BY THE CORONAVIRUS THROUGHOUT THE WORLD

Compassionate and Loving Father,
In the face of confusion and concern impart to us the calm of Your presence.
In You allow us to find hope and healing.
Be with those who serve the sick and give them Your caring hands.
Be with those who lead and give them Your spirit of wisdom.
Be with those who have fallen ill and give them Your comforting heart.
Wrap Your arms around our world and hold us in Your love.
Allow us at this time of trial to then serve as instruments of that love to all we meet.
We ask this in Your Name.
Amen

STEWARDSHIP: TIME, TALENT & TREASURE
Time... Stewardship Reflection
The blind man was willing to let Jesus minister to him and willingly did all Jesus asked of him. The Pharisees were more resistant to His message, spending their time and energy to disprove the miracle. Which am I more like, the man born blind or the Pharisees?

Talent... Stewardship Ministries
When disciples of Jesus Christ act in a gracious manner to all those they meet, they provide a glimpse of home. This home is not in a house in a particular location, but it is a home prepared for all of us for eternity. No matter how comfortable we may be in our earthly homes, it truly pales in comparison to eternity with God. In that heavenly home, there is no darkness, only light. There are no tears, only joy. There is no hate, only love.
We are ambassadors for heaven by how we offer ourselves to others. Our stewardship of hospitality allows others to see a glimpse of what God promises to us. Unless we truly step up and act in a gracious manner, will those we encounter ever know the Truth? I hate it when I am on the road and fail to meet people full of joy and welcome. At least I can look forward to coming home. What do those along the way look forward to in the next life that you can’t show them a glimpse of in this one?

SALLY BURTON FOOD PANTRY
One of the challenges we are facing now is the lack of food product on grocery store shelves. As you do your shopping if you could pick-up a few extra items and drop them off during pantry hours that would be greatly appreciated. For those that routinely give in the basket in the Narthex, again drop off during the pantry hours. Thank you.

Want to volunteer?
Contact Katie Cramer at Katie@kcramer.net to be scheduled on a monthly basis, or to be added to our list of substitutes.

Food Pantry Hours:
Tuesday 11:30am-1pm
Thursday 6-7:30pm
Saturday 10-11:30am

PLEASE NOTE:
THE FOOD PANTRY WILL BE DRIVE-THRU ONLY UNTIL FURTHER NOTICE.

WE STILL NEED YOUR SUPPORT - PLEASE DON’T FORGET TO TITHE
In an effort to keep our pantry open and our staff paid, we encourage parishioners to continue their tithing. The Sally Burton Food Pantry will especially play a key role in assisting those who may find themselves uncharacteristically in need.
Therefore, we still need financial support! The extent of how quickly the parish will rebound after the precautions end will be contingent on financial support during this time. Don’t forget SLDM when you pay your bills so we can pay ours! Please consider increasing your giving during this time, as well.

Set up online giving at: www.osvonlinegiving.com/131
or mail in your check to the Parish Office. Thank you!

CARDINAL 50/50 CLUB
Like most activities/events, the 50/50 will be suspended until further notice. All advanced donations will be applied when we resume.
Did you know our parish subscribed to FORMED so our parishioners can benefit from the teachings of the Catholic Church with access to various books, CD’s and movies, etc for FREE! Go to: www.FORMED.org and enter the parish code QDFJ6B. Enjoy!

Sharing the Gospel

When Jesus saw the blind man, he did not just walk by. Jesus stopped. He knew he could help the man, and honor God at the same time. Showing all of God’s love and power, Jesus healed the blind man’s eyes. For the first time in his life, the man could see Jesus and believe in him.

Prayer

Jesus, thank you for helping the blind man believe in you.

Mission for the Week

Draw a cross and put it in a place where you can see it and think of Jesus every day.

Poison Prevention
The COVID-19 is a topic of concern currently, and because the illness and recommendations on handling it are constantly evolving, we aren’t going to focus on it in this health column. You are likely getting information about it already. Be sure to consult reputable sources, such as the CDC website.
The 3rd week of March is Poison Prevention Week, and it’s important to recognize the potential dangers in our homes that can harm our families and pets. These include household cleaning agents, prescription medications, cosmetics, pesticides, art supplies, and even some plants.
Keep the poison control number (1-800-222-1222) handy – on your refrigerator, in your phone, etc. It can be used in 150 different languages and is available 24/7.
A few things to help prevent accidents/injuries include:
• Storing household cleaning products in their original containers, and making sure they are labeled. Avoid mixing them with other solutions (which can cause toxic chemical reactions) and always follow label directions.
• Turning on fans and opening windows when using strong chemicals, and storing them away from food.
• Never sniffing containers to see what’s inside, and discarding old or outdated products.
• Keeping prescriptions and OTC medications out of reach of children – they often resemble candy and can be tempting for a child.

Would you like to help with an easy and effective way to raise money for our school? It’s a great way for parishioners, parents and students alike to support our school. Last year alone we were able to raise $1,500 for our school through Box Tops! The money raised last year was used directly to fund additional classroom and educational materials.
NEW: Download the Box Top app on your mobile device, set up our school, and scan in your receipt for the eligible items! Box Tops for Education is transitioning away from clipping to scanning! Look for the new labels!
We will continue to collect unexpired box tops in the labeled box found in the narthex. Also, we are no longer collecting Campbell soup labels, as that fundraiser has ended. However, we continue to participate in the Tyson Project A+ fundraiser, should you have any vouchers.
Thank you for your continued support of our school!
Any questions or concerns, please contact Kelly Jaske email: kmjaske@gmail.com
