ACTION ITEMS:

1) OPENING PRAYER: Led by Fr. Pat

2) UPDATE ON MINISTRY VIDEOS: Music Ministry video is in progress. Marriage Prep Sponsor Couples, PTO and SAC will be scheduled now that school has started. Steve is working on planning for a Fall Festival video. Need to continue to solicit ministries to plan and execute videos.

3) PARISH SURVEY: The video to promote the Parish Survey is complete. Steve will contact Amanda to have it posted on the website and to SLDM social channels. Postcards are going to be mailed to parishioners about the survey after August 15th. There will be two ways to complete survey—hard copy and link on the website with online being the preferred method. The parish is looking for a 30-35% response rate.

4) MASS SECURITY: Chad Melloh is working with Jeff to get Usher training setup.

5) PARISH PICNIC: John is finalizing details and organization this week, but is ready for the event. Setup and clean up are the two areas he will need the most help. All PC members are asked to be at park by 4 pm to help set up.

6) APPLICATIONS FOR MINISTRIES: Reviewed applications for new ministries:

a) Mary's Way (Karen Wagner came to answer questions): Approved

b) Seven Sisters Apostolate: Approved

b) Legion of Mary: Not Approved. The applicants do not have a leader for this group.

7) CALL TO SERVE CARDS: The weekend of September 15th and 16th, Call to Serve pamphlets will be distributed after mass. PC members are asked to help hand out them out. PC will coordinate mass coverage at the next meeting. It was suggested to add "I am already involved" to each ministry on the pamphlet. It was also suggested to have contact info on both sides so it isn't missed.

8) OPEN FORUM:

a) The parish app is targeted to launch on August 24th. Questions about the app have been removed from the parish survey.

b) There is still time for ministry leads to turn in their reports. PC council members need to follow up with any ministry leads that have not turned in their report to get them back.

c) Ask your ministry leads if they need more volunteers before Call to Serve so we can promote their ministry if they need more help.

d) Gene reported the finance committee is putting together the Stewardship Report. Please let Gene know if there is a ministry you think should be included.

e) The new Fruitful Harvest campaign is coming up and the parish goal has been set.

9) CLOSING PRAYER: Fr. Pat led council in closing prayer.
