**FEAR NOT**

How do people find hope in the face of suffering and death? That is the question addressed by today's scriptures. We hear of the suffering of Jeremiah and the psalmist. We hear of the death that "reigned from Adam to Moses" (Romans 5:14). We hear of the fears of the Twelve as Jesus sends them out into the world to preach and heal.

Through all this tribulation one message rings out loud and clear—"Do not be afraid!" The God who saved Jeremiah and the psalmist and Jesus is fully present to save us through the gracious gift of Jesus Christ. We have nothing and no one to fear.

**TREASURES FROM OUR TRADITION**

The Eucharistic Prayers at the heart of our liturgy have a long history, beginning with the extemporaneous prayers of the early Christians. The presiders gave thanks from their hearts, not from any prearranged text, over the gifts of bread and wine. When the assembly had the sense that enough was said, someone would call out "Amen!" and that was that. For the most part, the plan flowed directly from Jewish meal prayers, which always recalled God's mighty deeds. Some other markers and signposts were added almost everywhere fairly early, like the presider's call to attention: "Lift up your hearts!"

Scholars have provided us with translations of many early texts. These have actually helped us craft new liturgical prayers, because until the liturgical reforms of forty years ago, no one could recall any prayer but the Roman Canon, now called Eucharistic Prayer I. For hundreds of years in the West, it was our only Eucharistic Prayer, and it was only in Latin. But the history of our Eucharistic Prayers is amazingly fruitful, and models have come down to us that have yielded new insights and expressions. The old custom of improvising texts according to a master plan has not endured, but we have now rediscovered a plan of standardizing the text while allowing for a great variety.
