

Saint Joseph New Student Referral Program

(Effective 7/15/2019)

The New Students Referral Program is open to all parents with Pre-K through 8th grade students enrolled at Saint Joseph. Tuition credit awards will be given for referring new families to the school. To qualify for the incentive, referred students must be new to the school and cannot have a sibling currently or previously enrolled at Saint Joseph.

To qualify, referrals must be acknowledged through the initial contact with the school. To receive tuition credit, the Referring Family must ensure that the Prospective family submits the referral form included in the New Student Application Packet.

All new students must meet standard enrollment criteria.

A tuition credit of \$250 will be applied in August for students starting at the beginning of the school year. Credits for students starting through the end of December will be applied one month following the start date of the referred family. A final tuition credit of \$250 will be awarded in May if the new family remains at SJCS through out the entire school year.

Families who have paid their tuition in full, will receive an incentive check equal to the amount of the tuition credit.

Please note that each Saint Joseph family can be awarded up to two referrals per school year.

The student Referral Incentive Program is subject to review and modification. Interpretation of program parameters will be at the discretion of the principal.
