RE: Financial Aid Update

Dear Parents,

It is that time of year to start thinking about tuition assistance for the 2021-2022 school year. The application dates are listed below. Please be aware of the dates as they are firm. In addition, all the funds available are combined under The Halo Initiative (<https://thehaloinitiative.org/>).

This year, every family who would like to be considered for tuition assistance, whether from the diocese, or the school **MUST** complete an application through FACTS. **No exceptions.** (Remember to use your same email and login information each year!) Financial assistance is needs-based, and we will use the FACTS assessment in our decision-making process. We have created a Financial Assistance committee who will review the requests and award assistance in a consistent and uniform manner.

Currently enrolled families are eligible to apply during the **Priority Application Round** period of November 1, 2020 – January 5, 2021. Priority Awards will be announced February 12, 2021. Currently enrolled AND new families are eligible to apply during the **Regular Application Round** period of January 5, 2021 – April 1, 2021. Regular Awards will be announced May 7, 2021. If you feel that your family has a financial need please apply for tuition assistance today.

Should you have any questions or need assistance, please do not hesitate to ask.

In Christ,

Autumn Helland
Principal
