Dear Parents and Guardians,

I hope everyone is doing well and staying safe. This week our teachers have started their end of the year closure procedures. Starting on Friday June 5th students will have the opportunity to retrieve their classroom belongings. Pre K through fifth grades will have the opportunity to retrieve their classroom belonging from the Saint Augustine Room. Sixth through eighth grades due to the need to empty their lockers will be authorized to go to the second floor based on the schedule which will be sent out early next week.

Medicine Retrieval

If your child(ren) has any medicine in the office an adult must accompany them to sign a release form for the medicine. All medicine will be given out at a table outside of the main office. Any medicine not retrieved by June 12th. Parents this will be your only opportunity to claim any medicine or personal effect. We will allow a very limited number of people in the building at a time to retrieve items and details will be sent in a separate email at a later date.
