Directions: This is an extra assignment that is worth it 20% of your quarter I grade. This assignment is intended to be completed for the purpose of raising your Quarter I grade and getting familiar with the use of the verb conjugations of some AR verbs.

Conjugate the following verbs in the present tense using the “Modo Indicativo.”(Pages 3 to 5)

Resources you can use:

-You can use the following website: <http://www.esfacil.eu/es/verbos/conjugacion/> or other website that can provide you with right verb conjugations. As soon as you hit the website it will be a box with the words in Spanish: “conjugar verbo.” Type the infinitive form of the verb (e.g. caminar. Limpiar...), click on the word “conjugar” and then move your cursor to the section: Modo Indicativo-Presente and you will see the answers. Repeat the process with all of the verbs that you need to conjugate and then underline the ending for the AR, verbs (Don’t worry about the pronoun vosotros). Look at the examples on page 3. Don’t forget to underline the verb endings.

-You can use Google translate on the web if you want to find out the meaning of words, sentences.... that are unknown for you. You can also use your Spanish and English dictionary.

Have a great summer!

Sincerely,

Mr. Monzon
