### Saint Augustine "Non-Negotiable" Math Assessment

Last week during the material pick up for virtual students we sent home the "non-negotiable" math assessment. ### **Health Forms / Emergency Procedure Slip:**

Parents, we are sending home the emergency procedure slip once again. Especially in these current times, it is important that we have a way to communicate with our parents/guardians if an emergency occurs. See attached. Please return all health form/emergency contact forms to the main office. If there are any delays, please provide a note from your child's doctor. Your contact information should be updated and turned in. If there are any changes to be made, please contact Mr. Bullock.

### **Virtus Training:**

COVID-19 has prohibited volunteers from entering the building. In the future, in order to volunteer, you need to have had completed Virtus Training. Please visit the following website: [https://virtusonline.org/virtus/reg\\_list.cfm?theme=0](https://virtusonline.org/virtus/reg_list.cfm?theme=0) to locate a training class that fits your schedule. Upon completion contact Mrs. Judon at (202)265-1470.

### **Scantron Testing**

The Performance Series testing has started for our kindergarten through eighth grade students. Parents, please make sure children are well-rested, have eaten breakfast, and are ready to focus. A testing schedule has been attached with the Halo.

### **Uniforms**

Unfortunately, the school does not supply uniforms. They may be purchased at Flynn O' Hara. See attached document. If you need additional information regarding uniforms, please contact Mrs. Judon at 202-265-1470.

### **Counselors Connection**

Our school counselor, Mrs. Riley will be working virtually at this time. She is available for phone conferences and by email. Please see attached document.

### **Summer Assignments**

All Summer Assignment should be returned to your child's teacher by Friday, September 24<sup>th</sup>. Failure to hand in these assignments will lead to a decrease in your child's grade.

### **Virtual Behavior**

We are making adjustments in our virtual learning spaces and our families have done a wonderful job thus far. We truly appreciate your effort. To ensure that the home learning environment mimics a school experience, it is imperative that children wear their uniform at all times. It is also important that students have their video on to show their participation. If families have multiple children in the home, it is recommended that students wear headphones to drown out other academic instruction or other sounds from within the home.

We hope you find this information helpful. Every Wednesday, a new Halo will circulate electronically and a hard copy will be sent home. If you have any questions or concerns, please contact the main office.

Sincerely,  
Sister Emmanuella

# Our Stores Are Open!

We're focused on making the back-to-school uniform shopping experience as safe & easy as possible this year.

## Curbside & In Store Pickup

In-store & curbside pickup is now available at all retail locations. For details, visit our [COVID-19 Updates](#) page!

## Walk Ins

If you'd prefer to shop in store, we will be welcoming walk-in customers in limited numbers. The total customers permitted to shop at once will be based on CDC guidelines as well as state and local mandates; we appreciate your understanding and patience in the event of a line!

## Safety Updates

### MASKS REQUIRED

All customers and employees will be required to wear a mask when entering our stores. We ask that masks be worn properly to cover both the nose and mouth!

### CLEANING

Our stores will be thoroughly cleaned daily, but we will also be sanitizing high-traffic surfaces throughout the day. Additionally, hand sanitizer dispensers will be located throughout the stores; both employees and customers are encouraged to use them often! Additionally, we've updated our merchandise handling procedures - particularly around returns & exchanges.

### EMPLOYEE HEALTH

Each of our employees will go through a health screening prior to resuming work and will have their temperature taken before entering our stores.

### SOCIAL DISTANCE

We've installed hanging signage and floor markers throughout our stores to ensure safe social distance between customers and employees.
