

Sisters of the Presentation of Mary Living in and Ministering in England

In England the Sisters of the Presentation of Mary live at Mount Saint Mary's Convent in Exeter. We are involved in a variety of different works including: Exeter College and Magdalen Court (Church of England) School, Diocesan Tribunal, Hospital Chaplaincy and catechesis in both Catholic Parishes.

We also have our Mount Saint Mary's Center which has proved to be a very successful and welcoming venue for a great variety of groups across the county.

Centered on Jesus Christ, our prayer life is of the utmost importance to us and, while underpinning our activities, is also a support to the many people who request our prayers.
