## **HOW WE KEEP YOU SAFE!**

Here we are in the middle of November and we will soon be celebrating the first Sunday of Advent which is November 28/29<sup>th</sup>. We have missed so many of you and pray that we have the opportunity to see you come back to Mass soon but especially for the Holidays.

We are doing everything in our power to help keep you safe while you are attending Mass at St. Patrick. It is our hope that by reviewing these safety guidelines that we are taking on your behalf, you will feel more at ease about coming back to Mass.

On October 2 during Archbishop Sample online Chapel Chat, he recently encouraged all parishioners to return to Mass and reminded the faithful “We aren’t meant to live our faith as Catholics in isolation from one another.” He continued “We are meant to be a community of believers who gather at the altar of the Lord to hear the word of God and to partake of the Eucharist. This is the way it was from the beginning...Jesus established a church, a community.”

It is our hope that by reviewing the safety guidelines on the back, you will feel more at ease about returning to Mass. It is Father Arturo’s hope and prayer that we can continue to pray and support one another. “Do not be afraid, you are not alone!”
