

SBCS Welcome Back Reminders

We are so excited to welcome back in-person learners on Tuesday, Jan. 19th!

We wanted to remind you of a few things:

- **Students may be dropped off at 7:35 am or after. The building will not be open before 7:35 am unless your student is attending before care. Breakfast will be available until 7:55 each day beginning on the 19th. The tardy bell rings at 8:00 am.**
- **Students' temperatures will be taken at the door instead of in the car. We encourage you to check your students' temperature at home before school as well. When you stop your car outside of the coned area the students may depart the car (remind them to grab their masks and water bottles) and then walk to their designated door to have their temperature taken.**
- **Before care, aftercare and hot lunch will be available starting January 19th. Please remember that to use before and aftercare services your student must have registration paperwork filled out and returned.**
- **Windows in the classroom will need to be opened to encourage ventilation so please encourage your students to wear dress code appropriate clothing to keep them warm. We will also be going out to recess as much as possible (weather permitting) so please be sure they have their coats, hats, gloves, etc.**
- **Please remember that all students must wear a mask to enter the building and visitors are still not permitted in the school building at this time.**
- **Water bottle fillers have now been added to our water fountains! Please remember to send your student with a water bottle each day that can be filled now at the water fountains using a no-contact procedure.**
- **The school day will conclude at 2:50 pm. We are again asking that you remain by your car during dismissal to maintain social distancing.**

**Please let us know if you have any questions and we look forward to seeing you again on
January 19th!**
