

Dear Fifth-into-Sixth Graders,

In order to maintain the skills you have learned in fifth grade and help you begin preparing for sixth grade, we ask that you complete the following assignments over the summer. Reading is a very important part of your education and personal development. We want you to continue reading over summer vacation. Please select one book within the 5.0-7.0 reading level (BL) to read. You can read more than one book but not less.

Please use <https://www.arbookfind.com/default.aspx> to help you determine the level of the book, whether or not it has a quiz, and the quiz number.

Within the first week of school you will need to take an AR quiz on the book that you chose.

Don't forget to complete the Summer Math Packet and bring it with you on the first day of school.

Have a great summer! We look forward to seeing you in August!

*Your Sixth Grade Teachers ☺*
