

SUMMER
READING For
INCOMING
7th GRADERS
2019-2020

Dear Incoming 7th Graders,

To help you maintain your reading level and to prepare you for seventh grade, we ask that you use <https://www.arbookfind.com/default.aspx> to help you find at *least* one **nonfiction** book to read this summer. The book you choose must be within the 5.5 -- 7.5 reading level (BL). You can read as many fiction books as you want, of course, but to receive your first A+ grade of the trimester, you must do the following:

1. By August 28, pass an AR quiz with at least 85% accuracy on a non-fiction book you read over the summer
2. Turn in a neatly typed paper with
 - The book's title and author's name
 - A five-sentence summary of your non-fiction book
 - A list of ten words, defined AND then explained how they fit into the context of your book

Enjoy the reading. Your year will begin with a big step toward fulfilling your AR goal. Have a great summer!

Mrs. Miller
