## Chromebook Agreement

**The information and procedures within this document apply to all Chromebooks used at St. Bonaventure Catholic School by students.**

**Faculty may set additional requirements for Chromebook use in their classroom.**

### **CHROMEBOOK AGREEMENT**

This agreement provides the student and their parents/guardians with information about taking care of the equipment, using it to complete assignments, and being a good digital citizen.

The school has purchased a Chromebook for each student with access to the internet for the student's education. The device is not to be used for entertainment during school hours. Use of the Chromebook at school will be allowed under direct teacher supervision and permission. Use of the Chromebook without permission or supervision will result in the loss of privileges. The Chromebook is not to be used at recess or lunch time, unless directed by a teacher.

Chromebooks will be distributed the first week of school. Parents and students must sign and return the Chromebook Agreement document yearly. It is the responsibility of the 6th and 7th grade students to return the Chromebook to the IT Room at the end of the 2020-2021 school year in good operating condition.

Teachers will provide clear guidelines for student school use of the device; **at home use is the responsibility of the parent.**

A student using the Chromebook in a manner that does not coincide with educational instruction, such as:

- visiting inappropriate websites
- listening to improper music, watching videos, visiting social websites, or any form of entertainment during school hours
- posting, emailing, or chatting unkind words about another person
- sharing school documents, unless instructed by the teacher
- using, changing settings, toughing, moving another student's Chromebook

will result in disciplinary action, determined by the teacher, as documented in the SBS Parent Handbook.

**The student is solely responsible for the care and safe keeping of his/her Chromebook. Any loss or damage, regardless of the cause will be the strict financial responsibility of the student and his/her parent(s). The student is not permitted to repair, alter, modify or replace the Chromebook without authorization from St. Bonaventure Catholic School. Insurance covers accidental damage and theft, burglary, or robbery (a police report is required for a claim). Insurance does not cover intentional damage, wear and tear, loss, or theft from an unattended vehicle.**

St. Bonaventure Catholic School will not replace or repair a Chromebook without pre-payment from the student/parent.

This Chromebook Agreement applies to the St. Bonaventure Catholic School student at all times, whether or not the student is on campus, as the St. Bonaventure Catholic School student is a school representative at all times.

While using the Chromebook, we strongly encourage the student to always consider whether the Chromebooks uses might be regarded as offensive, hurtful, or otherwise inappropriate by others.
